Ref: Coakley Landfill Site
New Hampshire

Dear Sir:

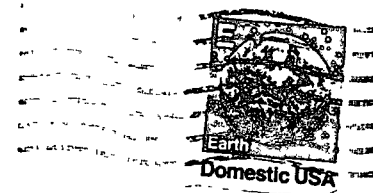

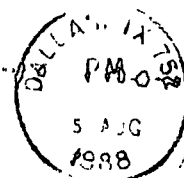

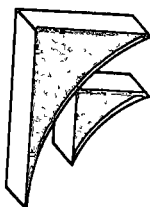

Today I received your letter requesting information on the disposal of materials in the above landfill site in New Hampshire.

There must be another Flag Construction Co., Inc. because my company (incorporated in Texas in May, 1986) is an extremely small company that does residential foundation repairs ONLY in the Dallas, Texas area. We do not use or have ever used any hazardous substances nor have we ever been in, or even near, the state of New Hampshire. To emphasize this point, we have never done any work, of any description, outside of the Dallas metroplex area.

So, I assume that this concludes this matter, however, if you would like any further information, please let me know.

Sincerely,

James V. McNeme
President
